❁ **LYNNWOOD HYSTYLE x3153-077.** He was the Second Prize Junior Bull Calf at the 1963 Indiana State Fair. His dam was a good daughter of Carona Fascination x and her dam was a Nebraska State Fair Grand Champion and a granddaughter of Calrossie Good News. Lynnwood Hystyle x is thin because he was with 20 commercial research heifers between October 29 and December 17, and then with another group of 20 research heifers from that time until February 11. He was on a ration of corn, stover silage and two pounds of supplement per day. With that ration for the last six weeks of the period, he maintained his weight, which is an indication of his hardiness and vigor. The picture was taken of him as a yearling.

⊙ **HEATHER CORPORAL 11th 3164-893.** He comes from the same Victoria family that produced the 1961 Reserve Grand Champion Female at the Indiana State Fair. The sire of his dam was the great breeding son of Kirkton Baronet. We have kept 26 daughters of this great sire in our herd. This bull has a good head, lots of bone and size. We thought enough of him to breed some of our cows to him.

RECOMMENDED GUARANTEE

Of American Shorthorn Breeding Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.

5. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bang's Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificate of Registry and Transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificate of Bang's Calfhood Vaccination, and those that are not from Accredited Herds have passed a clean Tuberculin Test within the same period. Health Certificates will be provided with each lot sold.
